Please complete the booking form in the centre of this booklet and return it to the Club as soon as possible. Don't forget to mark your booklet with the days you have booked on the booking form!

### **PLEASE RETURN BY 7th July to avoid disappointment**

- If we have a problem with over booking we will telephone you to discuss any issues
- We will confirm all placements after this date
- Any cancellations MUST be paid for after confirmation has been sent out
- Any forms not received by this time will have to take spaces available
- As demand is high we prioritise for full time children
- We will be confirming your placement booking in writing, please do not presume your child/ren has a place until you receive your confirmation.

When you have completed your booking form please remember to mark in this booklet the days you have opted for on your booking form as a record for you to keep until we send confirmation. Once you have received your confirmation please check it carefully to ensure it agrees with your choices for your child/ren.

Please note that all of the children must have consent details forms completed as a requirement of OfSTED regulations before they are left at the club for the first time. If you have not completed a consent details form before then please be prepared to complete one on your first attendance at the club. Please ask a member of staff for a new one on the first day of the holiday club that your child attends. Alternatively you can call into the nursery at any time before the holidays and complete one.

**Please remember that we are in the height of summer and your children must bring appropriate clothing, including a hat, as well as some sunscreen to the club as they will be spending a lot of time outside and will need protection.**

Thank you,

Holiday Club Co-ordinator

## Trips

- ◆ All day trips leave the Club at 9:30 am and arrive back at about 4:30 pm. Please do not be late because if the coach has left we will not be able to look after your child on that day
- ◆ If trips are over subscribed, priority will be given to full time placements for that week. Any spaces left will be on a first come first served basis from the date we receive your booking form
- ◆ Should a child forget to bring a packed lunch for a trip then the nursery will provide your child with a sandwich, a bag of crisps, a piece of fruit, a cake and a carton of milk and you will be charged an additional £5.00 for the provision of the meal. We will endeavour to provide your child with their own choice of packed lunch but as you will appreciate we do not always carry a large range of goods
- ◆ Children are encouraged to bring a little money with them on trips. However we would ask parents to limit the amount to a couple of pounds per child and the club is not responsible for looking after the money at any time during the trip
- ◆ Should a child fall ill during a trip we will contact you and arrange for you to collect your child from the trip location. No trip will take us more than an hour from the Nursery
- ◆ For our swimming during Sports week we will use Ashby Grammar School's pool in Ashby. We have exclusive use of the pool for two hours every day for the week, divided into two sessions, 10:00 to 11:00 and 11:30 to 12:30. The pool is a purpose built 25m X 10m school pool with a starting depth of .85m. We will have two swimming Coaches during the week. There will be a maximum of 16 children in each group, split into swimmers and non-swimmers. Stuart Birt from the Out of School Club is one Coach and Fiorna Cairns-Smith, a Senior National Coach for the ASA is our other coach. Each swimming session will last for one hour
- ◆ There will be an extra surcharge for this activity to cover the cost of the pool and the coaches. This will be £3.50 per coaching session per child or £15 for the 5 coaching sessions over the week
- ◆ Please could you clearly indicate on the first page of the booking form if your child is a swimmer or non-swimmer

### Ideas, suggestions and comments for the website!

Know of a great day out? Know somebody interesting who would like to tell children about their hobby/job/interest? Seen a theme used elsewhere that worked really well? Got any great ideas or recipes? Do you think we can do anything better?

If so—we would love to hear from you. We constantly strive to make Smiz Kids 511 better for the children who use it. To that end we need input from as many people as possible to make these changes.

We also have a page on our website where we publish comments made by both parents and children who use the club. If you want us to put your comments on the website just write them down and give them to us and we will put them on the website

### Additional Notes

Any films shown in the club are Certificate U and certificate PG only.

Children are not allowed to bring mobile phones into the club under any circumstances. Phones will be put in a safe place and returned to parents at the end of the day.

Any electronic items brought into the club are done so entirely at your own risk. All such items must be able to run from an independent power source, i.e. batteries, and cannot be connected to mains power in the club.

Any film, Playstation game or games cartridge brought into the club must be an original licensed version. Copies must not be brought into the club under any circumstances and must be an appropriate certificate. **(No 11+ or above).**

Children from School age upwards are catered for. The usual limit for the club is 11 years but children over this age are welcome providing they enjoy the club. Sometimes children over this age can become disruptive, bored or display inappropriate behaviour. In this case we will advise parents of this in order that they can find alternative care. This is a matter of Health and Safety.

A hot lunch is provided at lunchtime and a snack tea in the afternoon (Sandwiches, crisps, cakes etc.). The snack tea in the afternoon is not meant to be a meal replacement for the evening meal. Children must bring a packed lunch for any full day trips. All other drinks and snacks are provided.

### OfSTED

In January 2005 OfSTED inspected Smiz Kids 511 and said the following:

#### Our good points

- ◆ A stimulating, orderly and supportive environment is created for the children and they respond with confidence and are developing independence
- ◆ Children are encouraged to recognise and value differences, demonstrate excellent social and co-operative skills, are happy and settled in the setting
- ◆ Staff take into account children's individual needs and treat all children with equal concern
- ◆ Staff are well informed and work together effectively to organise and supervise space and resources imaginatively

#### What we needed to improve

- ◆ A system to access emergency contact details when transporting children to the setting

*If you would like to see the full OfSTED report for either setting please ask any senior member of staff for a copy.*
